American Sign Museum's SCAVENGER HUNT

Hi! My name is Tod, and I'm the Founder of the American Sign Museum. Even though you might not be able to visit the Museum, there are plenty of signs out in the world to see. Use this scavenger hunt on your next walk through your neighborhood or car trip.

1. How many traffic and safety signs can you find?
2. Find at least one place (park, business, etc.) that has a sign.
3. How many signs for restaurants can you find?
4. Find a sign that is on a wall.
5. Find a sign that is on a billboard.
6. Find a sign that uses your favorite color.
7. Find and name a sign that has an animal on it.
8. Find and name a sign that has the same first letter as your name(s).
